

Grammar School

Ernst Reuter School

The Private School of the German Embassy in Ankara

Admission

Children of German or international officials, representatives of German or international companies (or families in similar situations) will be preferred.

Children who speak German at language level B2 will be admitted to the grammar school. Children who cannot speak German can be enrolled in a German as a second language programme, which will be offered if a minimum of 8 students need it. Through it, your child should reach the demanded language level by the end of one year.

Turkish law restricts children who are Turkish citizens to the attendance of Turkish schools. For this reason we cannot accept applications from children who are Turkish citizens.

- Grades 1 through 4 (German curriculum)
- Teachers are exclusively German native speakers who were educated in Germany
- Small classes with optimal individual care
- Subjects: German, Mathematics, Music, Sports, Local History, Science and Art, Turkish (from grade 2 through 8), English (beginning in grade 3)
- Each child is supported and encouraged individually; each child is included, no matter their strengths and weaknesses; cooperation with the school's social pedagogue.

Our school has provided exceptional education for over 60 years, which focusses on encouraging the individual personal development of each child so they become open-minded, thinking adults.

Attending our grammar school makes it possible for your child to easily switch to another German school abroad or integrate in a school in Germany, resulting in sound and steady education. We work with the other schools to facilitate a smooth transition when you relocate.

Regular class period from **07:55** to **12:55**

After-school care programme available until 17:30 (for an additional fee); an afternoon snack is included.

Freshly prepared, balanced **lunches** are available in the school cafeteria.

Additional activities offered: summer and winter drama projects, lantern festival, license to ride a bicycle, sports day, reading contests.
